**“PROFESSIONAL INDEMNITY  
INSURANCE FOR ARCHITECTS AND  
ENGINEERS”**

**By Ms Susan Law**

---

**Synopsis of Presentation (provided by the speaker):**

The reason for having a Professional Indemnity Insurance is important because there were many examples of cases due to negligence in Malaysia. Having a Professional Indemnity Insurance will indemnify your losses in the event of negligence.

In this seminar, the following aspects will be covered in detail as below:

- Brief introduction
- The cover/ content
- Claim history

**Speaker's Biography (provided by the speaker):**

Susan Law has more than 20 years experience in the insurance industry. She joined Berjaya Sompo Insurance Berhad in 2007 as the senior Manager for Professional Liability – Underwriting and is responsible for the underwriting of Professional Indemnity Insurance, Directors & Officers Liability Insurance, Medical Malpractice Liability Insurance and other professional liability business.

She was with QBE Insurance (Malaysia) Berhad in 2001 as Senior Underwriter – Professional Risks since 2001. In 2004, she was heading the Professional Risks Portfolio and responsible in the growth and development of this specialized and niche product.

Prior to this, she was a senior manager with an international reinsurance company handling the same portfolio. She had also worked as reinsurance broker for an international insurance broking firm.

Susan is a Senior Associate of the Australian and New Zealand Institute of Insurance And Finance (ANZIF)
