PAM/OD Paints Fellowship Golf 2013/14

After a lapse of 2 years, PAM Fellowship golf is back with the first leg being played at the Sabah Golf and Country Club on 21st Sept 2013.

The idea of the PAM Fellowship Golf was mooted in the year Y2K with the main objectives to promote fellowship among the architect golfers, engineers, interior designers, suppliers, developers and the contractors. It also encourages the need for exercises to keep fit and healthy through golf.

The PAM Fellowship Golf is under the Chairman of the Social Activities, Ar. Arnold Kwan, and its Golf Captain, Ar. Henry Chu, who is responsible for the registry of the list of invitee golfers and the organizing of the events.

The First Leg has been kindly sponsored by OD Paints Sdn Bhd and the tournament was attended by 13 enthusiastic architects and 40 invitee golfers. The day was almost perfect for golf with overcast sky had it not been interrupted by a sudden downpour which have lasted for some 15 minutes.
