

3 Days IBS Training Courses – 1, 2, 3 December 2011 Pacific Sutera Hotel, Kota Kinabalu Sabah

Why this IBS training course is IMPORTANT for YOU ?

Architects, Engineers, Quantity Surveyors, Developers, Contractors, Sub-contractors, Site Supervisors, Project Managers, Clerk of Works, Government Officials, Manufacturers & Suppliers.

To drive the construction industry towards high productivity and quality, reduction of foreign labour and creation of a sustainable, component based IBS industry – in the face of greater competition when the market is liberalized by 2012, **all Ministries, Agencies, State Governments and Local Authorities are required to consider only projects with a minimum 70% of IBS components.**

Important for those tendering for Government projects and intend to be listed as IBS Consultant under the CIDB IBS Listing Programme.

** MODULE 1- 6 are requisite modules to be completed to be registered by CIDB under CIDB IBS Consultant Listing Programme.
