Speaker's Biography (provided by the speaker)

Mr. Desmond Sin

Sales Director of Flowcrete Asia Sdn Bhd

Has more than 15 years of experience in the resinous industry providing solutions, materials and technical supports for installation of resinous floors in Asia.

Currently Desmond runs Flowcrete business in ASEAN regions. Flowcrete is the world largest resin flooring manufacturer from United Kingdom. In 2008, Flowcrete has been incorporated into RPM Group. RPM is the public listed company in USA. Flowcrete has set up its regional manufacturing plant in Malaysian since 1995.

Some of the major projects under Desmond were Kuala Lumpur International Airport, Bangkok International Airport, KL Light Rail Transit project, The Curve Shopping Mall in KL, Bank Negara, KL Convention Centre, SM Mall in Philippines, Wyeth Pharmaceutical in Singapore, Maritime Museum at Universal Studio, Singapore and Colgate & Palmolive plant in Vietnam.

Synopsis of Paper

The presentation will cover the latest resinous flooring solutions for industrial buildings, car parks commercial buildings and public buildings.

It will also mention the substrate requirements for receiving resinous floors and measurers to prevent floor failure.

The different type of Green Building resinous flooring products will be presented for car park and commercial buildings.

It will also briefly mention about the heavy duty proprietary screed versus traditional sand and cement screed as the underlayment screed.

NOTE: At times, due to unforeseen circumstances, the scheduled events may have to be cancelled or rescheduled for which PAM Secretariat would normally inform the registered attendees/participants accordingly.
