Speaker's Biography (provided by the speaker)

Mr. Charles Lee

Chales Lee is the original founder of the Lumber Mart group of companies, a successful, home-grown Company specializing in wood and timber. He graduated with a Bachelor of Science degree in Business Administration from University of Missouri Columbia in USA. Prior to Lumber Mart, he was working in a senior management position for a two large Malaysian timber companies exporting timber products worldwide. He has more than 16 years experience in timber business specialising in the sourcing, production, installation, sanding and coating of timber flooring.

In 2008. He got his Master in Innovative Solutions for Wooden Floor awarded by Bona, Sweden and recently has sucessfully completed the National Wood Flooring Association (NWFA), USE Certified Professionals Wood Flooring Inspection school. He provides the vision and in charged in the running of the whole entire Lumber Mart's company that is making waves in the country for its quality products and services in timber flooring.

Synopsis of Paper

Beauty that last a lifetime -Installation methodology for solid timber flooring and decking.

- 1) The agony of specifying solid timber flooring and decking in projects.
- 2) Common problems of solid timber floor and decking. Warping, shrinkages, termites attack, bad workmanship, cracking, splinters etc. Is there a total solution?
- 3) Managing risk by specifying the right material, installation method and the right finishing.
- 4) The latest finishing technology used by the world's best coating supplier. Different coating for different usage whether it is for residential, commercial or sports floor.
- 5) The green issue - Scoring points in GBI (green building index) when using solid timber flooring.

to the room or space creating terrific acoustic environment.
