Tomher's factory location map

Some familiar landmarks would be JPJ Tuaran and Nirvana Memorial as they are just a few blocks away from our factory. If you are coming from KK via Tuaran By-pass, our factory will be on your right. Once you drove passed Telipok town, just drive straight for about 3km until you hit a roundabout. Turn right at 4'o-clock into a small road next to JPJ Tuaran. Go straight until you see two factories painted in blue. Our office is on the right.
