

International Property Exhibition in October

KOTA KINABALU: Pertubuhan Akitek Malaysia (PAM) Sabah Chapter and ImpactZone Sdn Bhd have signed a collaboration agreement for the International Property Exhibition (IPEX) in October.

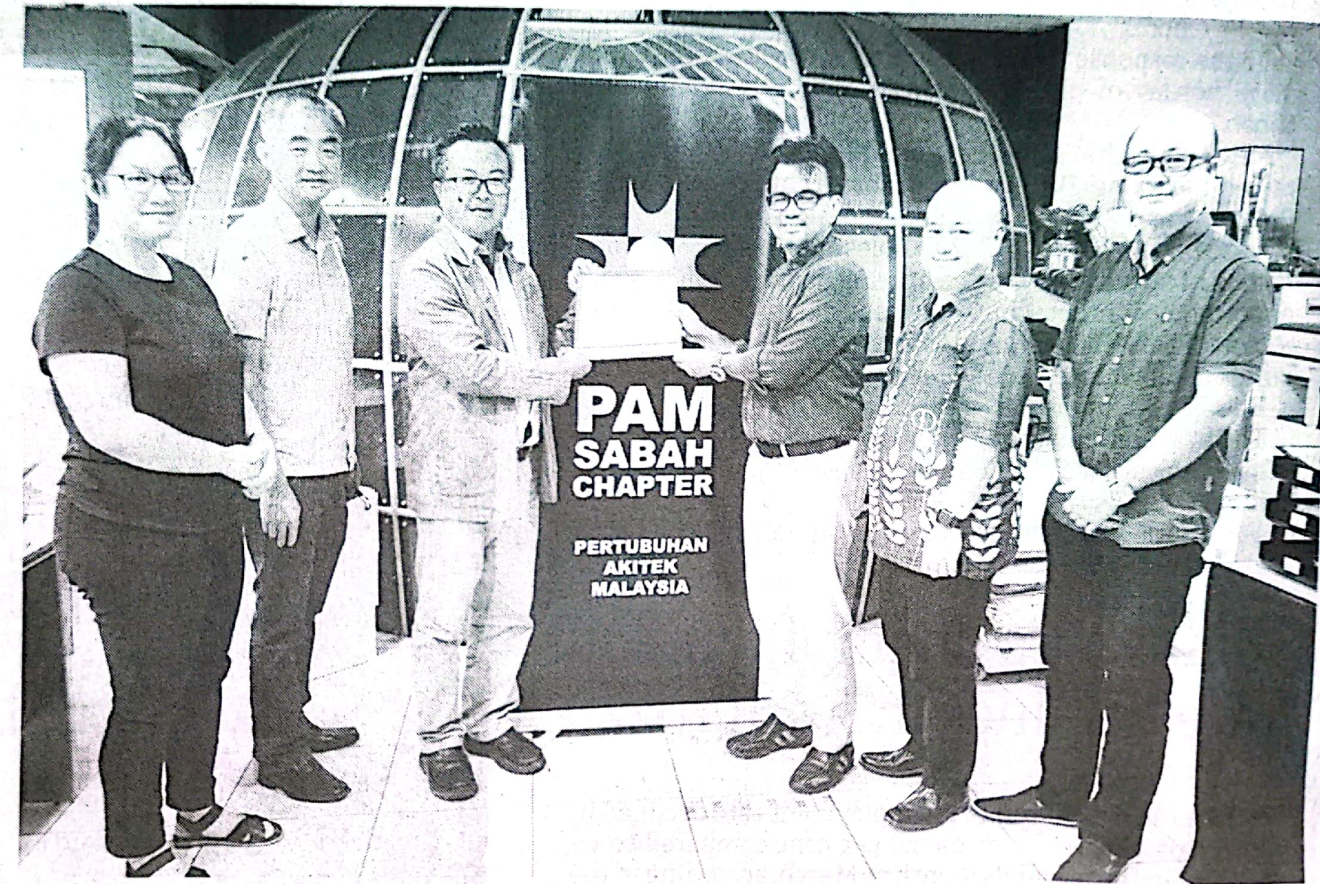

IPEX is one of Sabah's biggest and eagerly anticipated events of the built environment.

This home-grown business event is anticipated to bring together multi-facets of Sabah's built environment industry to a primary city location where property developers, contractors, building products manufacturers and others involved in the industry converge and showcase the best and latest products, techniques and knowledge offerings to the general public.

Different from the previous exhibition setup, the IPEX 2022 will be a three-day event, organized as part of a bigger event, Borneo Architecture Festival (BAF) 2022: Borneo Moving Forward which features solutions to making cities greener and more livable.

BAF includes a two-day Architectural Convention with international speakers and the PAM Sabah Chapter Annual Dinner.

IPEX 2022 exhibition will be
