

CONTINUING PROFESSIONAL DEVELOPMENT (CPD) SEMINAR

Exploring the Latest Trends in Modern Blinds

This seminar will take attendees through the evolving world of window and outdoor shading solutions, with a spotlight on the rising trend of zip blinds—a sleek, durable, and weather-resistant solution gaining popularity in both residential and commercial settings. The session will also explore key market trends, including motorized blinds, eco-friendly materials, types of blinds and integration with smart home systems. Clients will gain valuable insights into how these modern innovations not only enhance aesthetics but also improve energy efficiency and comfort. Whether you're looking to upgrade current solutions or explore new offerings for your space, this presentation will provide practical knowledge and inspiration.

Mr. Morgan Ho

CEO, Moonlight Industries

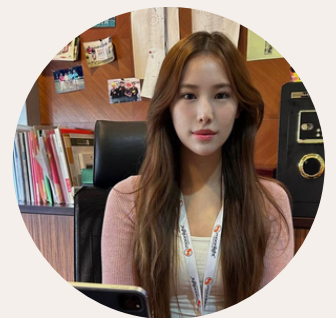

“ Mr. Morgan Ho, a Computer Science graduate from TARC College, brings over 35 years of experience to the window covering industry as a respected expert in innovative shading solutions. As the CEO at Moonlight Industries, he has led numerous product launches, including the introduction of motorized blinds and climate-smart shading systems in the market. Mr. Morgan is passionate about helping clients create stylish, functional spaces through the latest advancements in blinds and outdoor solutions. His presentations are known for being insightful, trend-focused, and rich with practical takeaways.
