Rules for Edible Architecture Competition

1. Participants must be Malaysian students between **16 - 19 years** of age, and currently studying in a Malaysian-based secondary school or private institution.
2. Participants consist of Group entries, all members are eligible to represent their school. Each Group entries must have **2 - 5 members only**; however, teachers, friends and supporters are welcome to encourage their schoolmates on the competition day, but are not allowed to physically assist in decorating the competition entries, after it has been submitted for judging.
3. The theme for this year's EDIBLE ARCHITECTURE COMPETITION is "**Architectonic Tower**".
4. Participants / representatives and their teachers must submit their entry forms latest by 17th April 2017
5. Only two (2) members of the participants (at one-time) is allowed to enter the competition / model exhibit area and to touch, alter or modify their competition entries up to 30 minutes before the judging starts.

IMPORTANT NOTES: Participants and their supporters will be wholly responsible for the care and maintenance of their competition entries, before, during and after the Edible Architecture competition begins.

6. The judges reserve the right to pry open / dismantle any competition entries that indicate the use of materials other than edible food substances, BUT may only do so if deemed necessary.
7. Transportation of competition entries to the Venue must be planned and arranged by participants and their supporters. Participants are expected to arrive at Venue on Saturday, 22nd April 2017, between 1.00pm to 2.00 p.m.

IMPORTANT NOTES: Late submissions on Competition Day will not be entertained.

8. To facilitate a fair and equal judging, the name of school, participant(s), group(s) and other distinguishable markings are **not allowed on the competition entry**. However, the participant(s) or groups are allowed to wear attire with a common theme (not necessarily school uniform) during the competition.

9. **SIZE OF COMPETITION ENTRIES:**
BASE: 450mm (LENGTH) X 450mm (WIDTH) (IMPORTANT NOTES: No other size allowed)
MODEL : 350mm (LENGTH) X 350mm (WIDTH) and HEIGHT between 400mm - 600mm (APPENDIX)

Base must be made of Plywood (medium thickness) or similar material that can SUPPORT the weight of the food items used for the Participant's competition entry. If the Participant's competition entry uses edible liquids as part of its composition, it is the Participant(s) / Group's responsibility to ensure that the base is designed so that the edible liquids DO NOT LEAK before, during or after the competition. Marks may be deducted for leakage.

Note: Participants are duly informed that the dimension/ size of ALL entries are based on a Perfect SQUARE.

10. All Participants are required to list down ALL EDIBLE FOOD INGREDIENTS USED in their entry, including glue/bonding materials used.

11. Any protest from Participants or Groups in regards to food items used by other participants must be accompanied by an official form available from the Edible Architecture committee, but must be submitted before the judging commences. Judges will consist of the IPEX committee, PAM Sabah Chapter and the competition sponsor. The Judge's decision is final.

12. Non- refundable Registration Entry fee of **RM20.00** is to be paid to PAM Sabah Chapter Secretariat for EACH Entry.

Rules for Food Items Used in the Competition Entries

1. Only **EDIBLE FOODS** may be used, both in its cooked or uncooked form. **Except for glue/bonding material, inedible items** (for instance, sate sticks, plastic wrapper, polystyrene cup, etc) **ARE NOT ALLOWED TO BE USED FOR THIS COMPETITION** (Usage of expired food material is encouraged to avoid wastage)

2. **Processed Foods** (like Biscuits and Sweets)
 Can be cut, modified, etc depending on the creativity of the Participant(s) / Groups. However, food wrappers, boxes are not allowed to be used.

3. **Dried / Unprocessed Foods** (like Fresh Fruits, Vegetables)
 Dried or Raw foods may be used including the outer skin of the vegetable, fruit. A basic guideline, if one plucks a single fruit / vegetable off from its plant, whatever comes off, together with the fruit, can be used. Coconut husk and shell **CANNOT BE USED** for this competition.

4. **No Meat**

5. **Artificial foods and Coloring**
 Can be used during competition to brighten / enhance their submission entries; however the type of EDIBLE coloring used **MUST BE LISTED** in the list of ingredients to be submitted. Vegetable food dyes are preferred.

6. **Prescription Drugs, not to be used**
 These categories of edible substances are NOT ALLOWED TO BE USED for competition. Medicinal herbs are also NOT ALLOWED TO BE USED for competition.

IMPORTANT NOTES: Participants are warned to exercise CAUTION with chemical glues and not to consume it.

7. **Egg shell & coconut shell are not allowed. Additional tips & rules will be informed later.**
