Being the Past Chapter Chairman from 2009 to 2011, I was a member of LAM Practice Committee for 10 years (2009-2018) and was also a Council member of PAM KL for 2009-2011. I was a committee member in DBKK High Risk Development Technical Committee.

I was appointed by the State Ministry of Local Government and Housing to the previous Central Board, continue being appointed as a member of the State Planning Council under the same Ministry of Local Government and Housing. Currently, I am still serving at PAM Sabah Chapter, as one of the Past Chairman being nominated back to the Chapter Committee. This is my 4th year serving as a nominated member for term 2020-2021.

It is indeed a great and fruitful journey to serve PAM Sabah Chapter and I am happy to serve because it enables me to meeting so many great friends, colleagues and comrades along the way. My serving not only dedicated for the Chapter but also for our communities and our beloved State of Sabah whenever possible.

Thank you.
