

RULES OF PAM SABAH AWARDS (PSA)

1.0 INTRODUCTION

PAM Sabah Chapter Awards or in short, **PAM Sabah Awards** is Sabah's highest recognition for architectural excellence and the most recognized honor for Architects, Clients/Owners and Builders/Contractors.

2.0 OBJECTIVES

2.1 To recognize **PAM Sabah Chapter Corporate Member** Architects, Clients/Owners and Builders/Contractors for their pursuits in Architectural design excellence and advancement of quality build environment.

2.2 To promote Malaysian Architecture and PAM Sabah Chapter Corporate/Fellow Member Architects to the Malaysian public and internationally.

2.3 To record the architecture achievements of Malaysia.

3.0 ELIGIBILITY

3.1 The Entry must be for projects completed in Sabah and to be made by a **current PAM Sabah Chapter Corporate Member who is:**

the **Principal Submitting Person** and **author of the design**

registered with **Lembaga Arkitek Malaysia (LAM)**

in the case of Collaboration and Overseas Categories, see 3.5 & 3.6

3.2 The Architectural Practice (whether sole proprietorship, partnership, body corporate or MDP) which the PAM Sabah Chapter Corporate Member submits the entry under must also be registered with Lembaga Arkitek Malaysia (LAM).

3.3 As this award is to recognize the work of PAM Sabah Corporate Member Architects, projects which are authored, designed or undertaken by unregistered person(s) or companies which are not registered with Lembaga Arkitek Malaysia are not eligible to enter, even if there has been a Principle Submitting Person who meets the eligibility of 3.1 but has only merely 'submitted' the project.

3.4 The entry must be completed with Certificate of Fitness for Occupation, or Certification of Completion and Compliance, or any equivalent evidence of statutory completion by the closing date of nomination for projects under the Council's rating areas, and not having been submitted more than three (3) times for the same category.

3.5 However, for projects outside the Council's rating areas, no Certificate of Fitness for Occupation will be required, provided that there are equivalent evidence of statutory completion and handing over to the client by the closing date of nomination, and not having been submitted more than three (3) times for the same category.

3.6 Special Eligibility Clause for Collaboration Category:

- For projects in Sabah with collaboration between design and submitting partners, this type of entry is only eligible to be entered for Collaboration Category.

- If both collaborators are local, the design and submitting partners must be **current PAM Sabah Chapter Corporate Members** and they/their practices must both be registered with **Lembaga Arkitek Malaysia (LAM)**.

- If the designer is a foreign architect, the foreign design partner/practice must be legally registered with their relevant regulatory Board of their respective country.

- Both Collaborators must consent to submit the entry and declare as such in the prescribed Entry Form.

3.7 Special Eligibility Clause For Overseas Category:

- For projects outside Sabah undertaken by a **current PAM Sabah Chapter Corporate Member**.
- The Corporate Member has to be the author of the design but need not be the Submitting Person.

3.8 Past entries may be re-nominated provided they have not won any previous PAM Sabah Awards including PAM Sabah Award - Gold, PAM Sabah Award - Silver and PAM Sabah Award – Commendation, subject to projects having been completed not more than **10 years** after obtaining the Certificate of Fitness for Occupation, or Certification of Completion and Compliance or any equivalent evidence of statutory completion in Council's rating area, or in the case of projects outside the Council's rating area, equivalent evidence of statutory completion and handing over of the project to the clients.

3.9 The entries are accepted on the agreement by the Entrants that the Principals of the Entrants will participate in related PAM Sabah Awards events including media interviews, exhibitions, and presentations, Award ceremonies, as required by the Convener or the Chair of the Awards Committee. Failure by the Principals to participate in these events may be grounds for disqualification or revocation of the entries.

3.10 The Master Jury shall have the sole and final decision in the acceptance or disqualification of any entry.

4.0 FREQUENCY

The Award will be held biannually but the categories may vary as recommended by the Convener and approved by PAM Sabah Chapter.

5.0 STAGES

The Award shall be conducted in five (5) stages as follows:

5.1 Stage 1 – Nomination

Nomination will be invited from PAM Sabah Chapter Corporate Members, members of the industry and the public.

The nominations are subject to the acceptance of the Vetting Committee (5-person or more as the Convenor decides, independent panel consisting of the Convenor, and assisted by any of the following: Co- Convenor, selected Technical Reviewers & selected Awards & Competitions Committee Members), based on the information provided on the nomination forms.

Nomination forms can be downloaded from PAM website at <https://www.pamsabah.com>

Accuracy of Submitted Information

The Entrant is to ensure that all information and spelling is correct in the forms as this information will appear in publications and on the plaques. Any errors on the part of the Entrant will be corrected at its own expense. The onus of submitting the most updated and complete information pertaining to the submission (e.g. project information and consultant details) lies with the submitting party. Any missed information may result in disqualification.

PAM Sabah Chapter accepts no responsibility for publication of incorrect spelling or inaccurate information supplied with the entry.

5.2 Stage 2 - Submission of Entries

The Convenor will invite PAM Sabah Chapter Corporate Members whose projects have been nominated to submit entries for the Award.

This invitation must not be construed that the project is eligible to be considered for the Award.

Entries will require the following:

1. Entry Materials including:

I. Maximum two (2) A2-sized (Landscape) collages of drawings and photographs with captions mounted on foam boards.

II. Two (2) A3-sized report of not more than ten (10) pages to include other drawings location plan/s, site plan/s, floor plan/s, elevations, sections and other particulars of the project, and

III. One (1) CD of all softcopy (i) and (ii) in PDF format, photographs of project in JPEG format and Project Description in MS Word Format. All images must have a minimum of 300 dpi resolution.

2. Entry fee shall be decided by PAM Sabah Chapter from time to time.

3. Completed **Entry Form**

There must **not be any mark or identification** of the Entrants on any of the Entry Materials.

The entries are submitted and accepted on the agreement by the Entrants that PAM Sabah Chapter reserves the right to reproduce any of the Entry Materials in the Chapter's media and publications, and in other media and publications authorized by PAM Sabah Chapter.

In doing so, PAM Sabah Chapter will undertake to give due credit and acknowledgement, but PAM Sabah Chapter will not make any payment, fee or charge whatsoever to any person in using these materials.

PAM Sabah Chapter will take reasonable care but will not be responsible for any loss or damage of the Entry Materials submitted.

The Entrants will be informed to collect the Entry Materials within a stipulated period when the materials are no longer required, failing which the materials will be disposed by PAM Sabah Chapter.

5.3 Stage 3 – Shortlisting of Entries

The Master Jury will shortlist the entries for Stage 3 - Technical Review and Stage 4 - Final Judging.

The Convener will request shortlisted Entrants to each submit **one (1) set of maximum two (2)** A1-sized Portrait format mounted boards of drawings and photographs with captions.

5.4 Stage 4 – Technical Review

The Technical Reviewers shall be selected and appointed by the Convener, to visit and review the entries as recommended by the Master Jury for Final Judging.

The Entrants may be required to make arrangement for the Technical Reviewers to visit the projects and to be present to brief the Technical Reviewers.

All Technical Reviewers must clearly identify and state the percentage of work done by the Architect and collaborating partner(s), if any.

The Convener may request Technical Reviewers to be present during the final judging.

Stage 5 – Final Judging

The decision of the Master Jury is final.

6. CATEGORIES

Entries may be submitted for the following categories:
