To All Corporate Members of the Chapter

Dear Fellow Architects,

Re: Postponement of the Nominations for the PAM Sabah Awards (PSA) 2021

Greetings from PAM Sabah Chapter!

With much regret, this is to inform that the proposed nominations for the PAM Sabah Awards 2021, which is due to close on 11th June 2021, has been postponed until further notice because of the current MCO from 1st to 14th June 2021 with restriction on inter-district travel.

I hope that this is not a setback, but rather a blessing in disguise to give you more time to prepare and submit your presentations in times to come.

As soon as the Chapter Committee has decided to call for the submission, I shall notify you all again accordingly.

Thank you.

Yours sincerely,
for PAM Sabah Chapter
